ASSURANCE STANDARD AND LEVEL OF ASSURANCE

The independent assurance was conducted in accordance:

- AA1000AP (2018) Principles, covering the accountability principles of inclusivity, materiality, responsiveness, and impact (the "AA1000AP (2018) Principles").
- AA1000AS v3 with assurance engagement: **Type 2** and level of assurance: **Moderate**.

LIMITATIONS

The assurance was performed at a moderate assurance level in accordance with AA1000AS. The information and performance data subject to assurance is limited to the content of the Report and supporting data provided by the reporting organization. It implies that no significant errors were found during the assurance process and that there are limitations related to the unavoidable risks that may exist.

ASSURANCE METHODOLOGY

We have evaluated the overall sustainability strategy, targets and commitments disclosed in the Report. We have performed an objective review of the reported information and evidence gathered against the criteria defined in the assurance standards, i.e. the accountability principles of inclusivity, materiality, responsiveness and impact. The processes and system controls applied by the Reporting Company in the disclosure of quantitative and qualitative information on sustainability performance, from source to aggregation, were evaluated. Analytical procedures, interviews, and data testing were performed on a sample basis to test the generation and collection of data for defined sustainability key performance indicators in accordance with Telkom's corporate sustainability strategy, governance, and management systems as disclosed in the Report. Our work included interviews with Telkom representatives, including senior management at the executive and functional levels, as well as relevant employees responsible for collecting, aggregating and reporting the data. The assurance work was performed by our multidisciplinary team of experienced professionals in the areas of corporate sustainability, climate change, environmental, social, governance and stakeholder engagement. The opinion expressed is based on a moderate level of assurance and at the level of materiality of the Assurer's professional judgment.

ADHERENCE TO THE AA1000AP (2018) PRINCIPLES

Inclusivity:

Telkom ensures inclusiveness by proactively identifying and engaging with diverse stakeholder groups, whose concerns are systematically addressed throughout the Report. Its approach to stakeholder engagement is supported by formal strategies designed to foster ongoing communication and collaboration. This commitment comes from the highest levels of leadership within the organization. Engagement activities include a variety of formats, including customer and employee surveys, meetings, and group discussions. Each interaction is carefully documented, and dedicated personnel are responsible for managing the feedback received. In addition, Telkom is transparent in communicating sustainability goals and commitments to stakeholders. This ensures that stakeholders are well-informed about initiatives and progress toward its sustainability goals.

Materiality:

Telkom has systematically conducted a materiality assessment of sustainability issues, taking into account the industry landscape, due diligence findings, risk assessments and stakeholder engagement. This assessment, which has become an annual practice, is a cornerstone of their commitment to sustainability. The Sustainability Steering Committee of Telkom, reflecting top management's commitment, carefully reviews and approves the list of material issues. The materiality assessment provides a comprehensive understanding of the relevant issues. These material issues are then methodically addressed in specific sections, each outlined by measurable metrics. Telkom's senior management and cross-functional teams are well versed in these processes, which are informed by extensive documentation and interviews.

Responsiveness:

Telkom is committed to addressing stakeholder concerns through a multi-faceted approach embedded in the sustainability strategy, policies, procedures, code of conduct and established sustainability goals. Telkom actively promotes stakeholder engagement through various channels, including multi-stakeholder platforms and customer interfaces. In particular, the dialog-driven approach is exemplified throughout the Report.

Impact:

Telkom adheres to the GRI 2021, which prioritize the assessment of internal and external impacts. Telkom has systematically identified the impacts associated with its operations and products. Their commitment to impact assessment is reflected in careful documentation and tracking of impacts through internal processes and systems. Impact analysis covering environmental, economic, social, people and its human rights. In addition, their commitment to identifying and mitigating negative impacts is evident in their annual risk and materiality assessment.

STATEMENT OF RESPONSIBILITY OF THE MANAGEMENT OF TELKOM

The Management of Telkom has sole responsibility for preparing and presenting the Subject Matter (material topics) with reference to GRI 2021 and preparing the Report in adherence to the AA1000AP (2018) Principles. Telkom's responsibilities also include maintaining effective internal controls over the information and data, resulting in the preparation of the Subject Matter in a way that is free from material misstatements.
