| 1. Information or Material Facts | Purchase of All Shares of PT Sigma Cipta Caraka (" <b>Telkomsigma</b> ") in PT Telkom Data Ekosistem (" <b>TDE</b> ") by PT Telkom Indonesia (Persero) Tbk (" <b>Telkom</b> ")                                                                                                                                                                                                                                                                                                                       |
| 2. Date                          | September 17, 2026                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 3. Description                   | <p>a. Telkom's purchase of 1,445,020 Series A Shares and 2,015,637,361,776 Series B Shares or 19.19% (nineteen point nineteen percent) of all issued and fully paid-up TDE shares owned by Telkomsigma in order to support <i>Telkom's</i> Unlock DC Co through the <i>Strategic Partnership</i> and <i>Telkom Group's</i> streamlining program.</p> <p>b. In connection with the purchase, 10,504,517,594,408 shares or 100% of TDE shares belong to Telkom.</p>                                    |
| 4. The Impact of the Events      | Telkom's share ownership in TDE becomes 100% and considering that this transaction is carried out between the Company and the Company's Subsidiaries, there is no significant impact on the Company's financial condition.                                                                                                                                                                                                                                                                           |
| 5. Others                        | This transaction constitutes material information or facts for the Company as intended in Indonesian Financial Service Authority's Regulation No. 31/POJK.04/2015 regarding Disclosure of The Information or Material Facts by The Issuer or Public Company and is an affiliate transaction as intended in the Article 6 of Indonesian Financial Service Authority's Regulation No. 42/POJK.04/2020 regarding Affiliate Transactions and Conflict of Interest Transactions " <b>POJK 42/2020</b> "). |

However, the Proposed Transaction does not involve any conflicts of interest as referred to in POJK 42/2020. The Company will also pay attention to and fulfill compliance and obligations arising from these regulations.
