Re : **Groundbreaking the Construction of NeutraDC Hyperscale Data Center Batam by PT Telkom Data Ekosistem**

Dear Sir/Madam,

In compliance with Indonesian Financial Service Authority's (Otoritas Jasa Keuangan/"OJK") Regulation No. 31/POJK.04/2015 concerning Disclosure of The Information or Material Facts by The Issuer or Public Company, we hereby inform you that:

Issuer Name : PT Telkom Indonesia (Persero) Tbk
Business Sector : Telecommunication
Telephone : (+6221) 5215109
E-Mail : investor@telkom.co.id

1. Information or Material Facts	Groundbreaking NeutraDC Hyperscale Data Center Batam by PT Telkom Data Ekosistem
2. Date	21 December 2022
3. Description	<p>On 21 December 2022, PT Telkom Data Ekosistem ("TDE") subsidiary of PT Telkom Indonesia (Persero) Tbk ("Telkom"), conducted a groundbreaking for the construction of NeutraDC Hyperscale Data Center Batam (HDC Batam) in the Kabil Industrial Estate, Batam. The construction of HDC Batam will be conducted on top of 8 Ha land with total of 3 campuses. In the first phase of the construction of HDC Batam, the estimated IT Load Capacity is 20MW.</p> <p>The total IT load of HDC Batam in the future will reach 51MW using the renewable energy that are harmless to the environment and also adopting multi-tier system. HDC Batam Ecosystem will also be supported by our submarine cable ecosystem such as Batam Singapore Cable System (BSCS), and Indonesia Global Gateway (IGG) and there will also be additional submarine cable construction in the near future. HDC Batam will also provide modular system that will be equipped with the Building Management System, so customer will be able to choose many services with various tier based on their needs.</p>

4. The Impact of the Events	By building HDC Batam, it will be the second biggest data center owned by Telkom in terms of capacity, also become the third Hyperscale data center that will be managed by TDE after Hyperscale Data Center Cikarang and Telin 3 Singapore.
5. Others	The development of TelkomGroup's data center business in Batam will support the long-term plan of data center NeutraDC business development and further increase TelkomGroup's data center business competitive advantage.

Thus, we submit this report. Thank you for your attention.

Best regards,

Raden Achmad Faisal
